

3-way Artist Trailers

Our 3-Way Artist Trailer offers three private 9 m² apartments, each with a slide-out extension to provide additional comfort and space. Designed for talent who need privacy and functionality on set, each unit is fully equipped with a private bathroom and toilet, hot and cold running water, air conditioning, a fitted refrigerator, and comfortable seating.

FEATURES

- 3 private apartments with slide-out extensions
- Private bathroom with toilet and shower in each unit
- Air conditioning and heating systems for climate control.
- Fitted refrigerator in each apartment
- Work desk with chair in each unit
- LED interior lighting for optimal visibility
- High-grade insulation for sound and temperature regulation.
- Electric entry steps with handrails for safety

This trailer is built for real production conditions — offering the reliability, space, and convenience needed to keep talent comfortable and ready throughout the day. The three identical sections make it easy to support multiple talents at once, while maintaining discretion and separation.
